

## GLENFIDDICH

# 12 YEARS OLD

Our signature expression, Glenfiddich 12 Year Old is renowned for its distinctive pear notes. Carefully matured in the finest American bourbon and Spanish sherry oak casks, we mellow our single malt in oak marrying tuns for a complete harmony of flavour.

## COLOUR

Whisky begins life as clear as the Robbie Dhu springwater from which its made, but our 12 Year Old develops a rich golden colour as it matures.

## NOSE

When nosing this expression, some people say they are reminded of a sweet shop, while others can smell an orchard in bloom. I get a distinctive pear aroma, and it's this unique note that sets Glenfiddich apart from all other whiskies.

## TASTE

Most people say our 12 Year Old has the aroma of fresh fruit and I'd say it tastes just as fruity, too. The whisky is perfectly balanced. I find it quite sweet, with a rewarding hint of vanilla sweetness you can taste on the tip of your tongue.

## FINISH

The finish is long, warming and sweet. The flavour doesn't stop there, though. It keeps evolving in the glass. A second sip will reveal a creamy, malty character with just a hint of subtle oak that's imparted by our marrying tuns.
